ABOUT THIS CHARGER

The AC Compact is the affordable charging solution for home or office. With a maximum output of 22 kW it delivers efficient, reliable charging sessions. The sleek, compact design fits any environment. The AC Compact mounts on a wall or on a pedestal and is compatible with the ADA pedestal, which keeps the charger accessible for users with reduced mobility. Supplied as standard with a Type-2 socket; a fixed cable is only available on request from 30 units.
