Connection

A heavy supply, usually in consultation with the grid operator.

ABOUT THIS CHARGER

The Autel DH240 is the more compact sibling of the DH480: a modular DC fast charger up to 240 kW, built from individually replaceable power modules. Standard with a 15.6 inch touchscreen, 2 CCS2 charge points and cable management. A payment terminal is optional. Built for charging hubs, transport zones, retail and semi-public car parks.
